Enter Your Email

Your email is your identity. **Returning player?** System recognizes you instantly — straight to pay. **New?** Quick form + waiver (one-time).

3

YOUR EMAIL IS YOUR KEY

✓ RETURNING PLAYER

Email already on file from a past HPS event? The system skips registration entirely and sends you **straight to payment**. No forms, no waiver repeat.

+ NEW TO HPS

First time here? Fill out a short form and sign the facility waiver once. It stays valid for **365 days** across every HPS tournament — you're set for the year.

3 WAYS TO PAY

OPTION A — CAPTAIN

Pay Full Team

One person covers the entire roster. Simple — one transaction, everyone's in.

\$960

flat team fee · full roster covered

OPTION B — SPLIT

Pay My Share

\$960 divided equally by roster size.

Everyone must agree on the same number before paying or the math won't add up.

\$80 – \$120

per player · see table below

OPTION C — ACK

Captain Already Paid

Your captain chose Option A. Come to the site, select this option, and confirm — no charge to you.

\$0

no charge · we mark you paid

Option B — Per-Player Cost by Roster Size (\$960 ÷ players)

\$120

Important: Agree on your roster size with the group **before** everyone pays. All teammates must select the same number on the site or totals won't match.

IMPORTANT REMINDERS

Everyone Still Registers

Even if your captain pays Option A, each player still needs to go through the site once so their email and waiver are on file.

Secure Payments via Stripe

All payments go through Stripe. Your card info is never stored on HPS servers. You'll get an email receipt from Stripe immediately after checkout.
